

Mobility +1 Workshop

Rethinking the Right-of-Way (rerow.ubc.ca)

October 4, 2024

UBC - Robson Square, 800 Robson Street, Vancouver

Room C575

8:30AM-1:30PM

Thanks for joining us for our first leadership engagement on the challenges and opportunities in balancing the multiple demands on streets and public space.

Our aims for today are:

- Learn more about the issues public agencies are facing
- Understand how university research might help inform policy, design, or operations
- Build connections
